Senior Citizen Center

Open letter to all Knox County Residents and to anyone concerned about services to Senior Citizens

For many years Knox County Help operated the Senior Citizen Center in Barbourville, providing homemaker services to seniors and delivering meals to individual homes. Funding for these programs has been continually reduced over the past few years, creating serious financial problems for Knox County Help. Towards the end of 2018, the Knox County Help Board realized they could no longer afford to operate the programs. When Mayor Thompson was informed of this, he reached out to KCEOC Community Action Partnership to see what we could do to help. We met with the Cumberland Valley ADD, which provides the funding for the programs, and the Knox County Help Board, to assess the status of the programs. The discussions included determining what was needed for KCEOC Community Action Partnership to begin providing the senior citizen services beginning January 1, 2019. The KCEOC Community Action Partnership Board of Directors felt that these services for the seniors in our community are a critical need. It was determined that just to maintain the present services a significant amount of additional funding would be needed in addition to the funding provided by the contracts. The Board also felt strongly that the services needed to be expanded to help more seniors.

The KCEOC Community Action Partnership Board and staff agreed to take over the services provided we could solicit enough additional funding to cover the expenses. We made it clear to the Mayor, the Knox County Judge Executive, and the public, that we would need everyone's help in securing the funds needed to cover the expenses. In addition, once the basics are covered we would then look to expand and add services for our seniors. We knew going in that there would be a shortfall and after providing services for seven months, we have determined that the expenses will be around \$95,000 and the contract income will come in \$65,000, leaving a deficit of approximately \$30,000. The Knox County Fiscal Court and the Barbourville City Council have each graciously donated \$2,000 so far this year, leaving us with an estimated shortfall of \$26,000 that we need to secure.

If you care about these services being able to continue, we need your financial support. We appreciate the donations of food and other items that are used at the center but the hard costs including salaries, utilities, vehicle expense and other expenses must be paid for. Therefore, we are asking you to make a tax deductible donation today to KCEOC Community Action Partnership for the Senior Citizens Program. You can send a check to KCEOC Community Action Partnership at PO Box 490, Barbourville, KY 40906. You can also bring it by our main office on 25E in Gray, KY where you can donate cash, check or charge to a credit card. Please designate on your donation that it is for the Senior Citizens Center Services.

The KCEOC Community Action Partnership Board of Directors will be making a decision between October and December as to the viability of us continuing to provide these services. If you have any questions or would like to learn more about the Senior Citizen Programs please call our main office at 606-546-3152.

Work Ready Center

Work Ready Training Center Coming to Barbourville

Southeast Kentucky Community and Technical College, KCEOC Community Action Partnership, and Eastern Kentucky Concentrated Employment Program (EKCEP) have partnered to open the Barbourville Work Ready Training Center in the former Barbourville Nursing and Rehabilitation Center facility on Shelby Street in Barbourville.

The U.S. Department of Commerce's Economic Development Administration (EDA) is awarding a \$3 million grant to KCEOC Community Action Partnership, Inc., to help develop a workforce training facility in Barbourville in Knox County. The grant will be matched with \$2.3 million in other federal and state money.

The training center will allow students to receive certifications for skilled jobs including industrial technology, computerized manufacturing and machining, electrical technology, welding, fiber optics, medical assisting, nurse aid, medical coding, and various workforce training areas.

"We've always had this dream of getting high-tech training in our area, which we've not had," said KCEOC President CEO, Paul Dole. We don't want them to learn something and go off somewhere else. This would be hometown training and be able to work here in a high-tech business and businesses will set up here," said Paul Dole, KCEOC Community Action Partnership President/CEO.

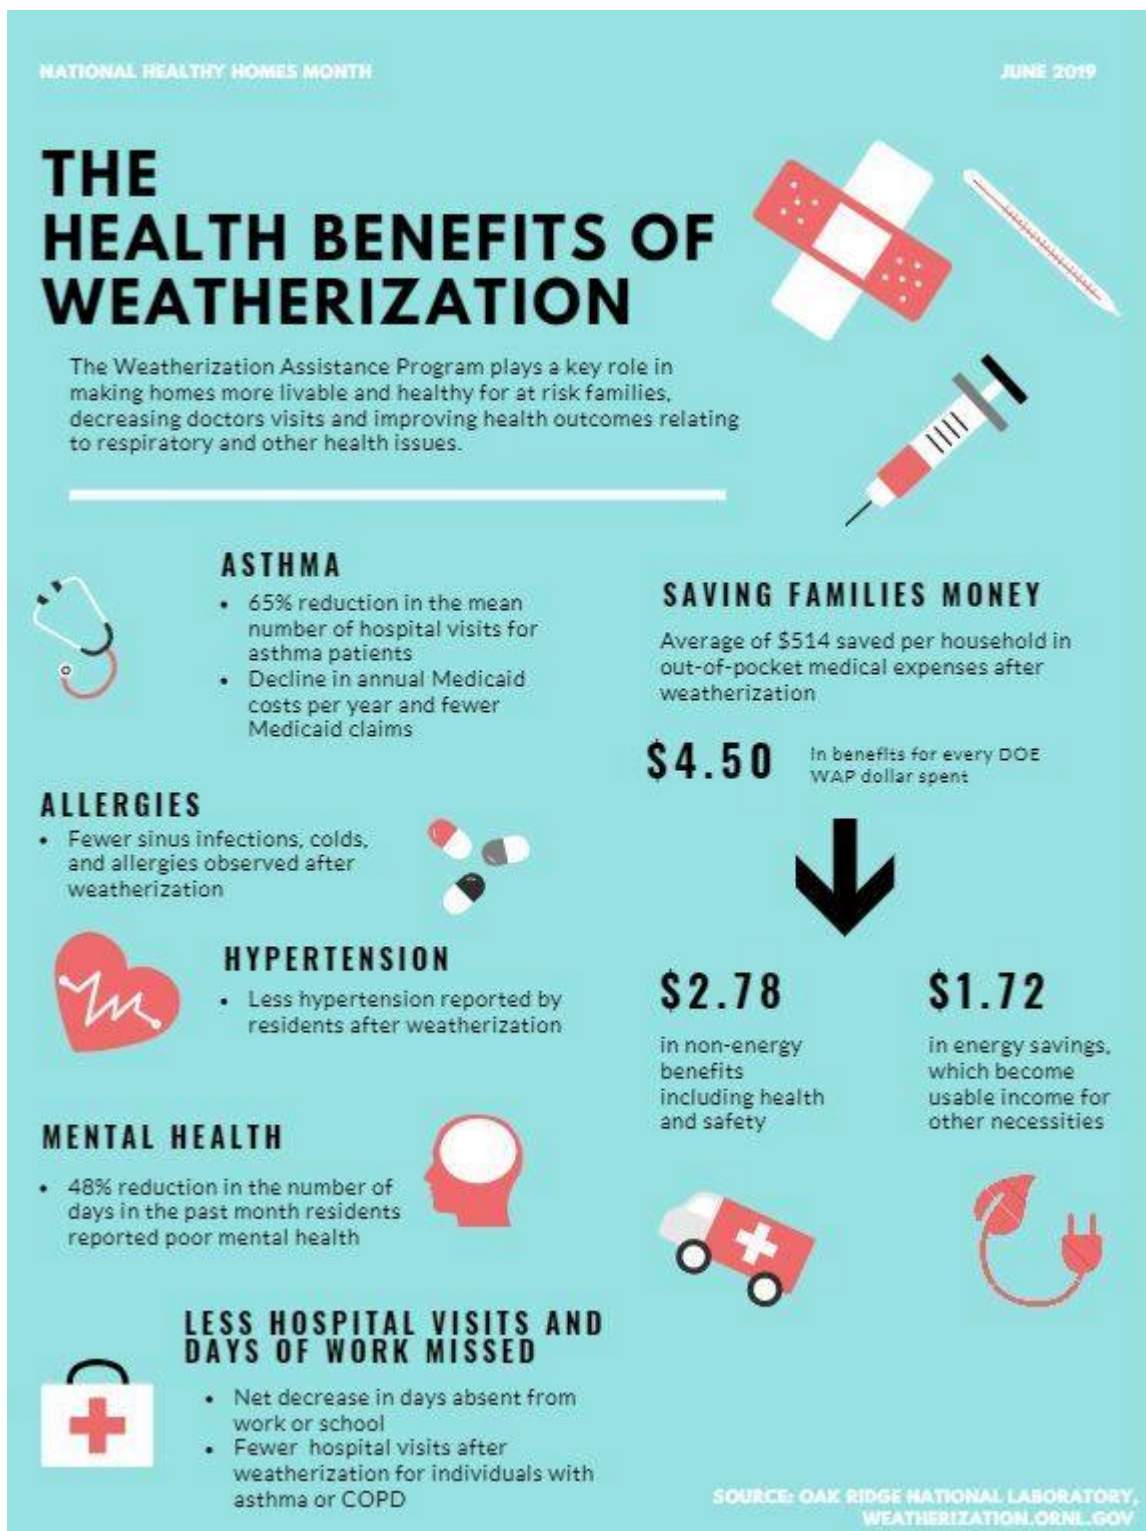

The new center will help dislocated workers, and under employed workers, to advance in their career. Barbourville is an under served area, with recent lay-offs, and the new center will be able to alleviate some of these issues and help these workers get back on their feet.

"We are here to give the low-income people an opportunity to succeed. It's not a hand-out, it's a hand up," said Dole.

Weatherization Day October 30th!

For 40 years the Weatherization Program has made lasting improvement on the lives of families with low incomes. Amy, a KCEOC Weatherization participant, began to get emotional when I asked her about the impact having her house weatherized would have on her and her family. Wiping away the tears she replied, "When I leave for work each day, I look at my unit and thank God for this program. Knowing that I do not have to leave my home and my daughters cold allows me to have peace." [#WAP](#) [#WXDayOct30](#)

Rental Counseling

Rental property makes up a significant piece of the local housing stock and provides homes for individuals and families who are not able to afford to be a homeowner, or whose conditions simply make renting a better alternative. Having the knowledge to understand the scope of renting will create an improved overall experience for the renter. Rental counseling is short term counseling. It comes in the form of both individuals seeking housing, and those in jeopardy of being evicted from their current residence. It can be completed either one on one, or in a workshop setting. If you are interested in rental counseling or attending a workshop, please

Post Purchase Counseling

Post purchase counseling or “non-delinquency” post purchase counseling is not just for recent new home buyers. It is also for those who have been long term homeowners and want to learn more about how they can maintain their home for the future. During these short term counseling sessions, you will learn about budgeting, home maintenance/repair programs, community involvement, foreclosure prevention, and many other topics. If you are interested in learning about how you can best maintain your home for the future, please contact Katrina Johnson at kgjohnson@kceoc.com.

Rental Counseling

Renting a home or apartment can be stressful and can make you question if you can afford it. KCEOC offers free Rental Counseling to the community to help you understand the rental process and what you can afford. This is a great service to utilize before you sign a lease to help with ease of mind knowing you are making the right decision, and can maintain/gain financial stability.

For more information on Rental Counseling, or to schedule an appointment, contact Marilyn Coffey at mcoffey@kceoc.com or 606-546-3152.

DID YOU KNOW

- HUD approved housing counselors provided 8% of overall housing counseling services to rental counseling with over 80,628 clients served in FY 2015
- More than 1 million clients each year receive federal assistance towards affordable rentals, the clients served include low-income families, the elderly, and persons with disabilities
- Clients counseled received assistance with their utility bills and other rental support
- Clients were able to determine if they met the requirements for Housing Choice Voucher Program (Section 8) and public housing
- Rental eviction rates have increased since 2014 and the current rental vacancy rate is 7.3%

TOP 5 BENEFITS OF RENTAL HOUSING COUNSELING

- Get help to find affordable rental housing
- Determine how much rent you can afford
- Learn budgeting tools and techniques to help you improve your credit
- Know your fair housing rights
- Resolve landlord/tenant disputes

RENTAL COUNSELING RENTAL COUNSELING WORKS

Rental housing is essential to many of our nation's families. Young people starting out on their own, immigrants seeking stability in America, empty nesters, or senior citizens who want to downsize.

Safe, secure affordable housing is a basic human need and many renters are burdened due to rent increases. Among low income renters, **more than 60%** of them pay over one-half of their gross income on housing.

Rental housing counseling helps renters BEFORE you sign a lease.
